# Who We Are

Aegis Management Services Limited is a Zambian consulting and advisory firm committed to supporting local and international clients in establishing, growing and managing successful businesses and investment projects.

Our multidisciplinary approach enables clients to access business, investment, regulatory and project support through a single point of contact, coordinated by our team and a network of qualified, licensed professional partners.

## Our Mission

To deliver practical, innovative and reliable advisory solutions that create value for clients and contribute to sustainable business growth.

## Our Vision

To be a preferred advisory and business solutions partner for investors, businesses and institutions across Africa.

## Our Approach

- ✓ Practical corporate and transaction support
- ✓ Clear reporting and compliance focus
- ✓ Confidential and client-focused service

## Regional Market Focus

**Zambia****Tanzania****DR Congo****Mozambique****Zimbabwe****South Africa**

# Our Expertise

Our services are grouped into clear professional categories, with specialist regulated services coordinated through qualified and licensed professional partners where required.
